Colorado Springs & Cripple Creek District Railway

"THE SHORT LINE."

Electric Circle Tour.

The only way to see the Cripple Creek District Gold Camp is over the Electric System of the C. S. & C. C. D. Ry.

The "Short Line" Division runs from Cripple Creek to Victor, via Anaconda, Elkton, Eclipse, etc., over the top of Beacon Hill.

The "High Line" Division runs from Cripple Creek to Victor, via Midway, Portland, etc., over the famous Bull Hill, reaching an altitude of 10,500 feet.

Magnificent view of the Camp from both lines, while passing the shafts of the big mines.

Tickets for this "Circle Tour" cost but 25c, and may be purchased from agents of The Short Line at Cripple Creek, Victor and Colorado Springs.

Electric Trains leave Cripple Creek and Victor every half hour.

The Short Line "Blue Book"

Issued Monthly, is replete with valuable information for the traveler, including description of the trip between Colorado Springs and the Cripple Creek District.

May be secured without cost from any agent of The Short Line, and connecting lines, or by addressing

S. J. HENRY, Traffic Manager,
COLORADO SPRINGS, COLO.
